Post Installation:

- 1. The Equipment has been installed and the Equipment/system is operable.
- 2. The Equipment installed matches the information on this Application in quantity and type of Equipment.
- 3. If the Equipment has changed from what was originally submitted with this Application, the final incentive may be different from the original calculated incentive. The substituted Equipment specifications must be submitted and reviewed by the utility to verify compliance with technical requirements and approved before an incentive is considered.

TERMS AND CONDITIONS

ELIGIBILITY: Incentives are available to all existing Third Taxing District ("TTD") commercial and industrial electric service customers ("Customer") who purchase and install qualifying retrofit and/or replacement high efficiency custom process equipment ("Equipment") on or after January 1, 2022 through December 31, 2023. The Equipment is subject to pre- and post-installation inspections prior to incentive issuance.

APPLICATION OFFER: Third Taxing District ("TTD") Commercial and Industrial Custom Process Equipment Retrofit & Replacement Program ("Program") covers qualifying Equipment purchased and installed on or after January 1, 2022 through December 31, 2023. Details of this Program, including incentive levels, are subject to change or cancellation without prior notice. This Third Taxing District Commercial and Industrial Custom Process Equipment Retrofit & Replacement Incentive Form ("Application") with required documentation must be postmarked by January 31, 2024. Funding for this Program is limited to the period indicated or while funds last. For more information, please call (203) 866-9271.

APPLICATION: This Application must be filled out completely, truthfully and accurately. The Customer and Contractor must each sign the completed Application and it must be submitted along with cost quotes, proposals and engineering analysis indicating pre θ post installation energy and demand consumption. The incentive payment cannot exceed 100% of the pretax differential total cost (energy efficiency total pre-tax cost minus the standard equipment total pretax cost) and may not exceed a five year payback. Projects exceeding a five year payback may be prorated.

PAYMENT: Please allow 6 to 8 weeks for payment. Payment processing may take longer if information is missing on the Application. **Please call (203) 866-9271 with any questions about incentives.**

APPROVAL AND VERIFICATION: TTD reserves the right to have reasonable access to inspect the Equipment installed under this Program prior to issuing incentives for up to one year after date of Application. A contractor's detailed invoice(s) listing pretax labor, materials and miscellaneous project-related costs must be submitted and approved prior to issuing any incentive payment. TTD makes no warranties or representations of any kind, whether statutory, expressed, or

implied for the performance or installation of the Equipment as a result of the approval and verification process.

TAX LIABILITY: The TTD will not be responsible for any tax liability that may be imposed on the Customer as a result of the payment of incentives

ENDORSEMENT: The TTD does not endorse any particular manufacturer, contractor, vendor, product, retailer or system design in promoting this Program.

LIMITATION OF LIABILITY: TTD's liability is limited to paying the incentives specified. TTD is not liable for any damages arising out of or resulting from participation in this Program, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity, or similar losses of any kind, as well as any indirect, incidental, punitive, special, or consequential damages, or for any damages in part connected with or resulting from participation in this Program. Applicant understands that all funding for incentives under this Program derives from the TTD Conservation Fund. The TTD does not guarantee the availability of funding for the Program and is not responsible for any costs or damages incurred by applicant if funding for this Program or the Conservation Fund is reduced or eliminated. Funding is subject to change at any time without notice.

OWNER'S CERTIFICATION: Owner certifies that he/she has purchased the Equipment outlined in this Application and the Equipment was installed by a licensed contractor at the defined location. Owner agrees that all information is true and that he/she has conformed to all Program and Equipment requirements listed.

WARRANTIES: TTD DOES NOT WARRANT THE PERFORMANCE OF INSTALLED SYSTEM, EXPRESSLY OR IMPLICITLY. TTD makes no warranties or representations of any kind, whether statutory, expressed, or implied,

including without limitations, warranties of merchantability or fitness for a particular purpose regarding the Equipment or services provided by a manufacturer, contractor or vendor. The Customer should contact the retailer, manufacturer, vendor or contractor for details regarding Equipment performance and warranties.

FORWARD CAPACITY MARKET AND CLASS III CREDITS: ISO-NE CAPACITY PAYMENTS: By

signing this document, and as a condition to receiving an incentive pursuant to this Program, the customer acknowledges and agrees that any and all payments, benefits and/or credits associated with or applicable to the customer's participation in the Program that is the subject of this Agreement in connection with the ISO New England, Inc. Forward Capacity Market ("FCM") or any existing, successor or replacement markets, including, but not limited to, any and all transitional FCM credits or payments or any and all other capacity-related credits, payments and/ or benefits for which such customer is eligible, shall be deemed as and capacity payments, credits and/or benefits of TTD. The customer hereby assigns to TTD all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits, and agrees to take any and all action, including executing and delivering any and all documentation and/ or instruments, as requested by TTD to evidence the same. FCM means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the FCM, or any successor or replacement market/capacity procurement process.

CLASS III CONSERVATION CREDITS: Any Class III renewable energy credits and/or conservation credits received in connection with this Program shall be retained by TTD pursuant to the laws of the State of Connecticut as of the date hereof.
